Check the arrangement before brewing.

- ☐ Original cord and plug are undamaged and unchanged.
- ☐ Cord arrangement follows my exact appliance manual.
- ☐ Unwinding and storage instructions have been checked.
- ☐ Cord avoids heat, water, sharp edges and pinching.
- ☐ Plug is accessible without pulling the cord.
- ☐ Tank, lid and removable parts move without cord strain.
- ☐ Any clip suits the surface, location and cord diameter.
- ☐ No supplies can slide onto the cord route.
- ☐ Ventilation and operating clearances remain open.
- ☐ No extension cord added just to keep the styling position.
