

Coffee Shelf Styling Planner

Check your own shelf before choosing its contents.

Shelf location and exact product / model:

Wall / bracket / fixing information confirmed by:

Manufacturer load limit and instruction reference:

Usable width:

Usable depth:

Shelf height:

Everyday pieces I can reach comfortably:

Appliance model and operating / clearance instructions checked:

Items to keep lower down or in a cupboard:

☐ Bases fully supported ☐ Shelf secure ☐ Outlets accessible

☐ No reaching over hot equipment ☐ Steam / ventilation clear

Planning aid only. Not an installation drawing or a universal safety specification.

Coffee Shelf Styling Planner

Build a useful arrangement with the pieces you already have.

The one job this shelf needs to do:

Everyday group:

One optional decorative accent:

My base color / material:

My repeated accent:

Sketch your arrangement and leave a clear gap:

Pieces I can remove or store elsewhere:

One no-purchase refresh to try:

- ☐ Mug lifts out easily ☐ Containers open without moving decor
☐ Comfortable reach ☐ Dry surfaces ☐ Easy to clean around

Try your arrangement with cool, empty items before using the station.
